Team Building Programs

We firmly believe at **North Star Management Consultancy** that **"Getting Good People is easy, but getting them to play together as a Team is a Different Story"**. Therefore, we designed unique **"Experiential Learning Programs"** that can contribute to sharpening and strengthening the Team Cohesion through gamified and interactive session that combines education with entertainment **"Edutainment"**, which increases the retention of the learned concepts. These sessions can contribute to improving the following competencies:

- **Effective Communication**
- **Negotiation & Influencing Skills**
- **Problem Solving**
- **Task Prioritization**
- **Conflict Management**
- **Situational Leadership**
- **Creativity & Innovation**
- **Customer Centricity**

We offer Corporate (Intact Groups) as well as Public Programs, and we can design programs based on the required competencies.
